

Face Mask

Recommended for use when cutting, bevelling or engraving most materials.

<i>Item</i>	<i>Code</i>	<i>Price</i>
Face Mask	FM 1	£6.71

Safety Glasses

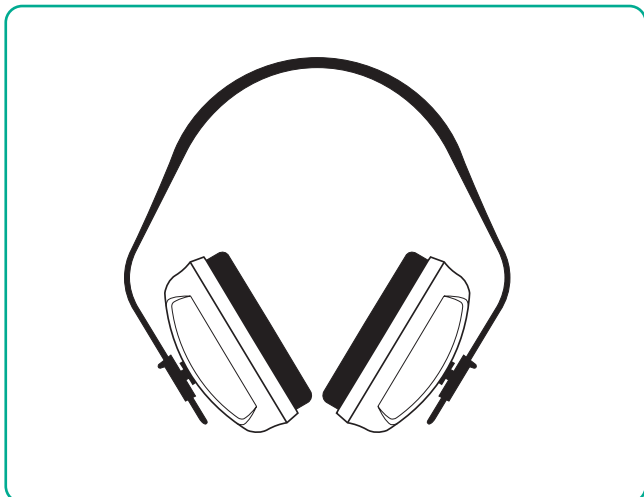

The use of eye protection is now required by law under the Factories act 1961 section 65.

The above safety glasses have ultra lightweight frames with carbo-glass lenses and polycarbonate side shields, making them not only high in safety but extremely comfortable to wear.

<i>Item</i>	<i>Code</i>	<i>Price</i>
Safety Glasses	SG 2092	£12.01

Ear Defenders

The Noise at Work Regulations require that whenever an employee is exposed to noise levels above 90 dB(A), an employer must issue and ensure that ear protection is worn. The above ear muffs are extra lightweight making them comfortable to wear and offer a good noise attenuation across the range of frequencies
