Sheet size 1220mm x 610mm (48" x 24")		£25.75	£31.00	£41.75	£35.75	£48.50

A flexible, blended acrylic extruded sheet, with .3mm cap and a permanently fixed core.

Gravoply features a satin finish and engraves beautifully. It wears well and is available in a wide range of colour combinations. It can be used in many applications including key rings, badges, signs and notices.

Can be saw cut or Guillotined.

A blended acrylic extruded sheet with cap and core permanently fused together, this attractive material has been formulated to withstand the elements. Its durability against rain and sun give outdoor signs such as directional notices the same beauty normally reserved for indoor signs. 2 Plex is available for front or reverse engraving. We recommend that 2 Plex be Saw cut and not sheared
